**Bread of the Week: CHRISTMAS STOLLEN**

**Become a part of the Stick Boy holiday tradition with Christmas Stollen.** This beautiful sweet bread is filled with rum soaked fruit (cranberries, golden raisins, candied orange peel, raisins, and almonds). The dough is folded and baked to perfection. We then brush the warm bread with butter and sprinkle with powdered sugar. The beautiful loaf represents baby Jesus in a

swaddled cloth in the freshly fallen snow. It's the perfect holiday gift.

**Christmas Stollen will be available everyday at a sale price of \$13.00/whole and \$6.75/half (regularly \$14.50 and \$7.50).**

As always, we mix our breads from scratch, shape them by hand, and bake them in our big German oven, right here in our bakery on Hardin Street. We bake only with unbleached and unbromated flour and never use any additives or preservatives. Come and taste.

### Our Daily Breads

Our constant experimentation with new breads has created a surplus of recipes that we cannot possibly make on a weekly basis. Our solution to this problem is to offer daily specials, or as we call them, "our daily breads." These breads change from week to week. **To**

**see our regular bread schedule,** [click here](#). For the week of *November 9th through November 14th* the special breads will be as follows:

**Monday: Oatmeal Brown Sugar Bread - A** nourishing, wholesome treat, made with whole wheat flour, dark brown sugar and oats.

**Tuesday: Pumpernickel -** Molasses and cocoa textured with rye, whole wheat and white flours. Dark and satisfying.

**Wednesday: Pretzel Bread -** A chewy, golden delight encrusted with gourmet sea salt; a boiled crust with a tender inside.

**Thursday: Sweet Basil Fougasse -** Fluffy, rustic triangles of French dough speckled with fresh basil and almond slivers. Savory but slightly sweet, a refreshing expression of chewy, airy European doughs.

**Friday: Apple Sourdough -** Our Old World sourdough gets a blast of green Granny Smith apples. The tart, moist apple slices interact with the sourdough in surprising ways.

**Saturday: White Chocolate Baguettes -** This simple but sublime mix, nutty tangy French and rich white chocolate, crunches with the crust and melts in your mouth with caramelized white chocolate.

**Featured Product: PUMPKIN SPICE CAKE**

**The Pumpkin Spice Cake is wonderful.** It consists of four layers of homemade pumpkin spice cake and covered with cream cheese buttercream icing and toasted pecans. It's finished with a decorative pumpkin on top. Ta dah!

**The Pumpkin Spice Cake serves 8-10, and it's available for \$24.99. See the coupon below for savings on the Pumpkin Spice Cake.**

Thanks for tuning in to Stick Boy News. Call ahead (268-9900) to reserve your order and we'll have it packaged up and ready to go for you. We'll catch you next time with more stuff from the bakery.

Sincerely,

Abby ☺
